

Dear Community Partner,

The Memorial Hospital of Carbon County Foundation is excited to announce the 4th Annual Foundation Fun Scramble Fundraiser! This year's tournament is scheduled for Saturday, August 27<sup>th</sup>, at the Rochelle Ranch Golf Course. The event will kick-off on Friday, August 26<sup>th</sup>, with the addition of a Golf Calcutta! We invite you to save the date and make plans to attend this popular, ever growing event! Stay tuned for additional details about team registration and the Calcutta!

Since its revitalization, the MHCC Foundation has been making great strides in growing as an organization and fulfilling their support role for Carbon County's leading healthcare organization since 1921! In the last three years, the Foundation has raised over \$90,000.00, all of which has been given directly to the hospital for capital equipment purchases and projects that have greatly enhanced the medical services available at the local level. We are pleased to let you know that funds from the 4th Annual Foundation Fun Scramble will be utilized for the addition of a much needed service; Oncology. Over the course of the next year, Chemotherapy services will be implemented at MHCC. We are excited to bring this life-saving treatment to the residents of Carbon County and the people we call friends and neighbors!

Please consider the MHCC Foundation when choosing how to allocate your charitable contributions this year! Enclosed is a list of the various sponsorship levels available; feel free to contact me with any questions you may have. Memorial Hospital of Carbon County is committed to healthcare excellence and the expansion of services that add so much value to the Wyoming way of life we know and cherish!

Thank you for your continued support and generosity!

Sincerely,

*Stephanie Hinkle*
