

# Notice!

Memorial Hospital of Carbon County now has a new electronic notification and billing system!

Convenient and easy-to-use, patients will receive text or email notifications with a link to view their account information and make online payments. Additional notices are sent in incremental time frames to ensure continuous communication with the patient about their account status.

Should you have questions about this new process, please contact the MHCC Billing Office at 307-324-8397.
